Xtern Internship Opportunity

The Xtern program places Sophomore and Junior level students with a high-growth tech company in Indianapolis for a 10-week, full-time, paid internship over the summer.

Xtern finalist applicants will interview with 3-5 potential tech companies for their internship virtually at Xtern Finalist Day this November.

Whether you are a developer looking for real-world programming experience, or a marketing or public relations student interested in the fast-paced tech industry, Xtern has an opportunity for you.

Application Deadline is Monday, October 12th

CyberSecurity Competition!

On Saturday, October 24th MetaCTF will host its 6th annual Capture-the-Flag competition! You can find more information about the virtual event and register [here](#) (for free).

Teams can have up to 4 participants, and there is no limit to the number of teams per school. Professors and industry practitioners are welcome to participate as well, though they'll compete in a separate tier.
