

WIC Bits

SEPTEMBER 27TH, 2019

Check out our website, Facebook, and Instagram by clicking the icons above!

"Leadership is a two-way street, loyalty up and loyalty down. Respect for one's superiors; care for one's crew."

-Grace Hopper

No WIC Meeting Tuesday, October 1st!

Our next meeting will be Tuesday, October 8th!

WIC Hacker Fellows Tech Talk

When: Tuesday, October 8th @ 6 PM

Where: Engineering Building, Rm. 1220

Details: Join us for a tech talk by Hacker Fellows! They will discuss MI's startup ecosystem, their training platform, and community and career opportunities through their fellowship and internship program.

Hacker Fellows is a growing community of software developers, engineers and startup enthusiasts who land jobs with early-stage tech companies in Michigan, develop their network and train on technologies used by startups.

Please RSVP [here!](#)

Other MSU CSE Opportunities

Girls Who Code Volunteer Opportunity

The Girls Who Code program is looking for volunteers to help mentor 3rd - 5th graders this semester! It could potentially be paid, and it would be no more than about 5 hours per week.

For more information or to show interest, contact **Hannah Streibel (striebe5@msu.edu)** or **Teresa Vandersloot (iselava1@msu.edu)**!

GE Aviation 2019 Female Leadership Summit

When: November 7-9, 2019

Where: Cincinnati, OH

Details: This is an awesome experience for female engineers and a great opportunity! This event has been successful in the past (At least one MSU student who attended the 2018 conference and was offered a job and will be starting at GE Aviation full-time in 2020!)!

The application process is officially open! The application will be open from **September 17-October 5**. Individuals selected for attendance will be notified by **October 18, 2019**.

The flyer attached contains a QR code to access the application!

Women in Engineering Leadership Series

When: Every Monday, Oct. 28th - Nov. 18th from 6:30 - 8 PM

Where: Engineering Building, Rm. 2400

Requirements: Must attend 3 out of 4 sessions!

Details: A strong leadership skill set is one of the top attributes employers are looking for! This is an interactive series that allows you to receive

crucial leadership training from women in the workforce as well as your peers.

No experience needed! Snacks will be provided!

Incentives will be given for completion of the entire program. Opportunities for putting leadership into practice are available.

Space is limited! Be sure to register [here](#) by Monday, October 14th.

Contact wie@egr.msu.edu or 517-432-1273 for more information.

Hacker Fellows Applications

Hacker Fellows is a growing community of software developers, engineers and startup enthusiasts who land jobs with early-stage tech companies in Michigan, develop their network and train on technologies used by startups.

Hacker Fellows connects the brightest early-stage tech talent to Michigan-based startups. The program recruits aspiring software engineers from around the country—undergraduates and graduates—to participate in a 1-year fellowship or summer internship program.

Application deadline is **November 15, 2019** for the May 2020 program.

Apply [here](#)!

Once accepted, you will be matched with startups for a full-time technical position, all expenses paid software and entrepreneurial training in Detroit, and access to a growing community of over 100 founders and technologists.

2020 KP Fellows Program

Kleiner Perkins (www.kleinerperkins.com), a world-leading venture capital firm located in Silicon Valley, just announced that they are now accepting applications for the 2020 KP Fellows Program (Product, Design, Engineering).

The KP Fellows Program is a unique, career-defining opportunity for technical students who are interested in pursuing technology, entrepreneurship, design and startups. Engineering and Design Fellows work with one of the company partners over the summer where they develop and hone their technical skills and are mentored by an executive within the company. Product Fellows will spend a full year working with one of the company partners.

Applications for the 2020 KP Fellows Program are open now and close **October 6th, 2019**.

Apply at <http://fellows.kleinerperkins.com>.

Withrow Award for Teaching Excellence

Each year, the College of Engineering sponsors the Withrow Award for Teaching Excellence. In the Department of Computer Science and Engineering, nominations are from students; those nominations are then reviewed by a selection committee composed of students and a faculty adviser.

The award recognizes CSE instructors for the 2019 calendar year. The nomination will remain open until **December 2, 2019**.

More information about the Withrow Award is available on the Department's [website](#).

You can nominate an instructor at [this link](#)!

The Engineering Society of Detroit (ESD)

The MSU Student Chapter of the Engineering Society of Detroit is an organization that helps students network with professionals from dozens of Detroit-based companies. There is a \$1 annual membership fee, and opportunities include: site tours, speaker events, career fair prep, outings, and networking events.

If you are interested, go to [this form](#) and sign up! Then follow directions for paying \$1 to begin your membership.
