## **Hacker Fellows Applications**

Hacker Fellows is a growing community of software developers, engineers and startup enthusiasts who land jobs with early-stage tech companies in Michigan, develop their network and train on technologies used by startups.

Hacker Fellows connects the brightest early-stage tech talent to Michigan-based startups. The program recruits aspiring software engineers from around the country—undergraduates and graduates—to participate in a 1-year fellowship or summer internship program.

Application deadline is **November 15, 2019** for the May 2020 program.

**Apply [here](#)!**

Once accepted, you will be matched with startups for a full-time technical position, all expenses paid software and entrepreneurial training in Detroit, and access to a growing community of over 100 founders and technologists.

## **Withrow Award for Teaching Excellence**

Each year, the College of Engineering sponsors the Withrow Award for Teaching Excellence. In the Department of Computer Science and Engineering, nominations are from students; those nominations are then reviewed by a selection committee composed of students and a

faculty adviser.

The award recognizes CSE instructors for the 2019 calendar year. The nomination will remain open until **December 2, 2019**.

More information about the Withrow Award is available on the Department's [website](#).

**You can nominate an instructor at [this link](#)!**

## **The Engineering Society of Detroit (ESD)**
