

WIC Bits

FEBRUARY 7TH, 2020

Check out our website, Facebook, and Instagram by clicking the icons above!

"Just because you don't fit the classic mould doesn't mean you can't be a leader. You just need to find your own style."

-Jess Lee (Co-Founder & CEO, Polyvore)

WIC Class Scheduling Meeting

When: Tuesday, February 11th @ 6PM

Where: Engineering Building, Rm. 1220

Details: Please join us for our annual scheduling meeting!

This is an opportunity for freshman, sophomores, and juniors to get advice on 400-level CSE courses from fellow WIC members who have taken them. Hopefully this will help you in choosing courses since the scheduling period for the upcoming academic year is approaching.

Please fill out [this form](#) if you are an upperclassman who has taken 400-level CSE elective courses!

Please RSVP [here](#)!

WIC Sign-up for Introduce a Girl to Engineering Day

Come help WIC host an activity for Introduce a Girl to Engineering Day on Saturday, February 22nd! **Sign up [here](#)!**

If you have any questions about the activity, feel free to email Zosha (korzeck3@msu.edu).

WIC Byte Buddies

We have put together some WIC Office Hours called Byte Buddies this semester. This form linked below is for any new members and underclassmen who would be interested in meeting one on one with returning WIC members or upperclassmen.

We are hoping this will be an opportunity for members to get to know each other better as well as receive advice!

When signing up for a time slot, the availability of upperclassmen is on the left along with their grade level. Enter your name, email, and phone number on the right. You do not need to be available for the whole time slot shown in the excel sheet. You can coordinate with your buddy via text to establish a time within the slot.

Sign up in the excel sheet [here!](#)

Other MSU CSE Opportunities

Superposition IV Attendee Applications

Superposition IV, the oldest and largest all-female hackathon for high school and college students in the Bay Area.

Hackathons are competitive programming events where teams have limited time to solve a real-world problem using technology. Our mission is to help bridge the gender gap in technology by providing young women with a supportive environment in which they can develop their

interests in computer science.

Applications will be open until February 16th, 2020. Apply [here](#)!

For more information, reference the flyer attached, visit the event's site at superposition.tech, or reach out to **Shamita Gurusu (Outreach Director)** via email to shamita@superposition.tech.

GHC Scholars Program

The GHC Scholars Program provides funds for women who are either undergraduate students, graduate students, or faculty to attend this year's Grace Hopper Celebration. Women who get selected as scholars gain access to career and academic workshops, networking opportunities, and memories that will last a lifetime.

Applications are open from January 15th to March 4th, 2020. Applicants will be notified of their status in early May.

For more information and to apply visit the anitab.org site at this [link](#)!

On-Campus Startup Career Fair

When: Tuesday, February 18th, 11 AM - 4 PM

Where: Minskoff Pavilion, Rm M025

Details: This is an on-campus event that will have thirty-five high-growth Midwest startups searching for interns & full-time employees. It's focused on diversifying student talent and inquiring about the possibility of receiving assistance in outreach.

For more info and to register reference the flyer attached and this [link](#)!

Women in Technology Symposium at Target

When: May 14th-16th, 2020

Where: Target Headquarters in Minneapolis, MN

Details: College sophomores with aspirations to be a software engineer are encouraged to apply for this opportunity! This three-day event is focused on inclusion, empowerment and professional development for aspiring software engineers. Attend to meet and learn from Target's passionate software engineers.

For more information or to apply use this [link](#)! Application deadline is April 1, 2020.

MSU Programming Club

A new student group on campus is looking for students who want to join! Partnering with Girls Who Code Loops, this is a club centered around creating an inclusive and judgement-free environment for underrepresented groups in tech to learn and practice technical computer skills. Members will have the opportunity to practice a new coding language, work on a personal project, prep for technical interviews, and much more!

This club is open to all majors and skill levels. Our first meeting will be held in January of Spring 2020.

To sign up as a member or for a leadership role, please fill out this [form](#)!

Contact Zosha Korzecke (korzeck3@msu.edu) or Jennifer Browning (browni58@msu.edu) with any questions.

The Engineering Society of Detroit (ESD)

The MSU Student Chapter of the Engineering Society of Detroit is an organization that helps students network with professionals from dozens of Detroit-based companies. There is a \$1 annual membership fee, and opportunities include: site tours, speaker events, career fair prep, outings, and networking events.

If you are interested, go to [this form](#) and sign up! Then follow directions for paying \$1 to begin your membership.
