

WIC Bits

MARCH 5TH, 2021

Check out our website, Facebook, and Instagram by clicking the icons above!

Be safe! Wear a mask!

Happy Friday!

Introduce a Girl to Engineering Day- Volunteers Needed!

If you are interested in volunteering for IGE Day sign up [here](#) ASAP! The event is March 13th and we still need several volunteers.

E-Board Elections!

E-Board elections will be held March 30th. You must have attended at least 2 WIC meetings by the time Elections are held in order to run.

If you would like to run please fill out the application [here](#). Feel free to ask any current e-board members questions about their positions!

Elektrobit Tech Talk!

When: March 9th @ 6:00pm

Where: Zoom!

Details: Erica Ochs will present about automotive software technology and the different roles in the industry, focusing on business roles that require computer science knowledge but aren't software

developer roles. She will present about her current role as Key Account Manager and discuss how she interfaces with colleagues both internally at the company and with customers. This topic will give insight into different career paths in automotive software, as well as help you understand how companies plan and execute complicated software projects and developments.

Facebook RSVP [here](#)!

Zoom Meeting Info

Join Zoom Meeting

<https://msu.zoom.us/j/97756915081>

Meeting ID: 977 5691 5081

Passcode: MSUWIC

CSE Student Representatives

Interested in serving as CSE Student Representatives in Governance for 2021/2022?

Apply [here](#)! Deadline to apply is March 12. Direct any questions to our President, Gabby (kelschbl@msu.edu), who is the current student representative on the CSE Curriculum Committee!

Course Enrollment Webinars

MSU will be using a new system for enrollment for Fall 2021, Spring 2022, and Summer 2022. To familiarize with the new system, MSU is hosting two webinars in

March:

Thursday, March 18 at 1-2pm ET

Tuesday, March 23 at 4-5pm ET

If you are unsure on how to use the new course enrollment system, come to this webinar to see a demonstration of how to enroll in classes for next year and bring any questions that you have.

Register for the webinar [here](#).

BP Early Careers Program

BP STEP Leadership Program

- If you're looking to develop your networking and leadership skills, while learning to apply your technical capabilities to real world scenarios, the bp STEP program is for you. This three-week virtual series will touch on topics ranging from public speaking, leadership qualities, careers in the energy industry and much more.

Trading & Shipping - Sophomore Experience

- Discover more about the world of commodity trading at BP. Network with the trading team, and gain insightful training experience through trading simulations, case studies and presentations.
- Application deadline is April 16, 2021.

Apply Here bp.com/us-studentopps.

Target: Women in Technology Symposium

Target is looking for passionate software engineers to be a part of our Women in Technology Symposium. This three-day event is focused on inclusion, empowerment and professional development for aspiring software engineers. Attend to meet and learn from Target's passionate software engineers. Event highlights include:

- Job shadows with Target engineers
- Tech talks led by Target technology leaders

- Professional development activities and workshops

Application deadline April 17. Apply [here](#)!

Last Mile Education Fund

The Last Mile Education Fund offers a disruptive approach to increasing diversity in tech and engineering fields by addressing critical gaps in financial support for low-income underrepresented students within four semesters of graduation.
