Details: Join us for a Tech Talk by Dow!

Learn about Artificial Intelligence (AI) and its different components! Hear how Artificial Intelligence is simplifying and improving services and products for Dow customers!

Please RSVP [here!](#)

Other MSU CSE Opportunities

Hacker Fellows Applications

Hacker Fellows is a growing community of software developers, engineers and startup enthusiasts who land jobs with early-stage tech companies in Michigan, develop their network and train on technologies used by startups.

Hacker Fellows connects the brightest early-stage tech talent to Michigan-based startups. The program recruits aspiring software engineers from around the country—undergraduates and graduates—to participate in a 1-year fellowship or summer

internship program.

Application deadline is **November 15, 2019** for the May 2020 program.

Apply [here!](#)

Once accepted, you will be matched with startups for a full-time technical position, all expenses paid software and entrepreneurial training in Detroit, and access to a growing community of over 100 founders and technologists.

2020 KP Fellows Program

Kleiner Perkins (www.kleinerperkins.com), a world-leading venture capital firm located in Silicon Valley, just announced that they are now accepting applications for the 2020 KP Fellows Program (Product, Design, Engineering).

The KP Fellows Program is a unique, career-defining opportunity for technical students who are interested in pursuing technology, entrepreneurship, design and startups. Engineering and Design Fellows work with one of the company partners over the summer where they develop and hone their technical skills and are mentored by an executive within the company. Product Fellows will spend a full year working with one of the company partners.

Applications for the 2020 KP Fellows Program are open now and close **October 6th, 2019**.

Apply at <http://fellows.kleinerperkins.com>.

Student Ambassador in CSE

The MSU CSE Office of Recruitment and K-12 Outreach are looking for a Student Ambassador in CSE. Student Ambassadors help recruit prospective students in Engineering and Computer Science and give tours of the facilities housed in the Engineering Building. A Student Ambassador would work flexible hours every week, and it is a paid position.

If you are interested in this position, **please email Sarah Johanknecht at johankn1@msu.edu by Sunday (9/22)** with your name and resume. She will be passing on the applicant information to the employer.

Virtual Career Fair for Women in Tech

When: Wednesday, September 25th 8 AM-1 PM

Details: Fairygodboss is the largest career community for women and are hosting this virtual fair.

Connect directly with top employers looking to hire experienced software engineers, developers, data scientists, UX/UI designers, and technology team leaders.

Register [here](#)! Registration closes September 23rd @ 12 PM.

Withrow Award for Teaching Excellence

Each year, the College of Engineering sponsors the Withrow Award for Teaching Excellence. In the Department of Computer Science and Engineering, nominations are from students; those nominations are then reviewed by a selection committee composed of students and a faculty adviser.

The award recognizes CSE instructors for the

2019 calendar year. The nomination will remain open until **December 2, 2019**.

More information about the Withrow Award is available on the Department's [website](#).

You can nominate an instructor at [this link](#)!

Upcoming Google Events on Campus

Lunch and Q&A with Software Engineers

When: Wednesday, September 25th @ 11:30AM

Where: Engineering Building, Rm. 3540

Details: Come eat lunch and hang out with Google Software Engineers (and MSU alumni). Bring questions about working at Google, working in tech, or anything else you're curious about.

Tech Challenge

When: Wednesday, September 25th @ 6PM

Where: Anthony, Rm. 1281

Details: Compete against each other in teams of up to five in coding, puzzles and word association games.

Building Your Technical Career

When: Thursday, September 26th @ 6PM

Where: Anthony, Rm. 1281

Details: Learn how to make the most out of each year in university and how to prep resumes and interviews.

Please RSVP for all events through

[Handshake](#) and [this sign up form](#).

The Engineering Society of Detroit (ESD)

The MSU Student Chapter of the Engineering Society of Detroit is an organization that helps students network with professionals from dozens of Detroit-based companies. There is a \$1 annual membership fee, and opportunities include: site tours, speaker events, career fair prep, outings, and networking events.

If you are interested, go to [this form](#) and sign up! Then follow directions for paying \$1 to begin your membership.
