Uncle John's Cider Mill Social Event

Saturday October 2, 11am-1pm

Please join us for the first social event of the semester! We will be taking a trip to Uncle John's Cider Mill - this is a great time to meet people in WIC and enjoy the beginning of fall!

Career Fairs

Tech Connect - Big 10 Women in Computing Exchange (Virtual)

Thu, Oct 7, 2:00pm - 6:00pm EDT

https://msu.joinhandshake.com/career_fairs/27481?ref=events-s

[earch](#)

This event is hosted and coordinated in partnership between Women in Computing groups and Computer Science inclusion programs across eight Big 10 universities to connect students engaged in these organizations with employers nationally. While the Grace Hopper Conference is a large-scale event that serves as a platform to connect and engage with employers on career opportunities, this serves as a smaller-scale path to effectively connect with fellow Big 10 students to top employers, university recruiters, and program managers.

United Wholesale Mortgage will be there with sessions available for 1:1 meetings and group meetings for product development, product management, IT training and business intelligence. You can sign up for those sessions [here](#).

'College to CEO' Executive Speaker Series

Mondays, 7 PM via webinar

Over the school year, the College of Engineering is working with high level executives across a range of industries to speak with Spartan Engineers about their journey, mistakes made along the way, and Spartan-to-Spartan advice. Beyond a standard informational / recruitment session, this will provide a platform for you to network with figures in the industry to identify resources that will help you evolve professionally.

If you are interested, register for the sessions on Handshake to receive the meeting links for the sessions.
