WIC General Mills Tech Talk Meeting

Tuesday September 27th, 6-7 PM in EB 1220

Come hear from General Mills as they talk about the different tech at GMI, including data, cloud, mobile dev, web dev, and security. Also hear about the daily work of someone working in this area at GMI.

Uncle John's Cider Mill Social Event

Saturday October 2, Time TBD

Please join us for the first social event of the semester! We will be taking a trip to Uncle John's Cider Mill - this is a great time to meet people in WIC and enjoy the beginning of fall! If you are in need of a ride to the event or have a car & are able to drive, please fill out the Google Form linked below by Wednesday Sept. 29 so we can make arrangements! We will let everyone know of the time next week on our social media channels and Slack, so keep a look out for that!

Fill out the form [here](#).

Career Fairs

Tech Connect - Big 10 Women in Computing Exchange (Virtual)

Thu, Oct 7, 2:00pm - 6:00pm EDT

https://msu.joinhandshake.com/career_fairs/27481?ref=events-search

This event is hosted and coordinated in partnership between Women in Computing groups and Computer Science inclusion programs across eight Big 10 universities to connect students engaged in these organizations with employers nationally. While the Grace Hopper Conference is a large-scale event that serves as a platform to connect and engage with employers on career opportunities, this serves as a smaller-scale path to effectively connect with fellow Big 10 students to top employers, university recruiters, and program managers.
