## GOOD LUCK ON FINALS!

We wish you the best of luck during finals week. Also, have a fun and safe break!

We will see you on **January 14th, 2020** for our first meeting of the spring semester! Stay tuned for more information about our next meeting and upcoming events.

## Other MSU CSE Opportunities

### AI Residency 2020 Program

The AI Residency Program is a 12 month research program (extendable up to 18 months) designed to jumpstart a resident's career in machine learning. To be more specific, the goal of the residency is to help residents become productive and successful AI researchers.

As part of this program, Residents collaborate with distinguished scientists from various [Google AI](#) teams working on machine learning applications and problems. Residents have the opportunity to do everything from conducting fundamental research to contributing to products and services used by billions of people. [Take a look](#) at the impactful research done by earlier

cohorts.

Looking for people who are passionate about machine learning and want to learn to conduct machine learning research!

It is recommended to apply early! The application is open from **October 21, 2019 - December 19, 2019**.

**Graduating seniors and Masters/PhD students can apply [here](#) or go to [this link](#) so you can sign up and get notified with information** about the program for this season and in the future!

Contact **Nina Ong** ([ninaong@google.com](mailto:ninaong@google.com)) with any questions.

## **MSU Programming Club**

A new student group on campus is looking for students who want to join! Partnering with Girls Who Code Loops, this is a club centered around creating an inclusive and judgement-free environment for underrepresented groups in tech to learn and practice technical computer skills. Members will have the opportunity to practice a new coding language, work on a personal project, prep for technical interviews, and much more!

This club is open to all majors and skill levels. Our first meeting will be held in January of Spring 2020.

**To sign up as a member or for a leadership role, please fill out [this form](#)!**
