WIC will be hosting our first Kickoff meeting next week, which will be a Lean In Circle meeting. This will be a great opportunity to check out our club, meet our E-Board, and mingle with other students! Food will be provided. Hope to see you there! (Note: We will be following the MSU mask mandate for all meetings until we are told otherwise.)

Tech Connect - Big 10 Women in Computing Exchange (Virtual)

Thu, Oct 7, 2:00pm - 6:00pm EDT
https://msu.joinhandshake.com/career_fairs/27481?ref=events-search

This event is hosted and coordinated in partnership between Women in Computing groups and Computer Science inclusion programs across eight Big 10 universities to connect students engaged in these organizations with employers nationally. While the Grace Hopper Conference is a large-scale event that serves as a platform to connect and engage with employers on career opportunities, this serves as a smaller-scale path to effectively connect with fellow Big 10 students to top employers, university recruiters, and program managers.
