FEBRUARY 14TH, 2020

Check out our website, Facebook, and Instagram by clicking the icons above!

"The biggest barrier for women is the thought that they can't have it all."

**-Cathy Engelbert
(CEO, Deloitte)**

Happy Valentine's Day!

WIC Deloitte Tech Talk

When: Tuesday, February 18th @ 7 PM

Where: Kellogg Center, Michigamme Room

Details: Please join us for a tech talk by Deloitte!

This tech talk is going to be a little different than usual. A corporate networking event is happening at the Kellogg Center, and Deloitte is attending it. Our meeting will be following the networking event in the Kellogg Center.

Topic: "Organizations tend to lose sight of the importance of having good data management practices. At Deloitte, we can help transform the way organizations manage data while ensuring compliance. Join us to learn more about Data Privacy and Protection."

Food will be provided and parking at the Kellogg Center ramp will be covered for our members attending the talk!

Please RSVP [here!](#)

WIC Study Social Event

When: Sunday, February 23rd from 1-3PM

Where: MSU Business Library, Rm. 13

Details: Midterm season is approaching so please join us on Sunday, February 23rd in the Business Library to study! There is also free parking at the Shaw ramp on the weekends!

Please RSVP [here!](#)

WIC Sign-up for Introduce a Girl to Engineering Day

Come help WIC host an activity for Introduce a Girl to Engineering Day on Saturday, February 22nd! **Sign up [here!](#)**

If you have any questions about the activity, feel free to email Zosha (korzeck3@msu.edu).

WIC Programming Badge

Volunteers needed! WIC is hosting a coding activity to help Boy & Girl Scouts earn their Programming Badge at an event in March!

Mentors are needed to help facilitate an activity and get these scouts, who are also high school students, excited about Computer Science.

If you are interested in volunteering, sign up [here!](#) Contact **Zosha (korzeck3@msu.edu)** with any questions or concerns.

WIC Byte Buddies

We have put together some WIC Office Hours

called Byte Buddies this semester. This form linked below is for any new members and underclassmen who would be interested in meeting one on one with returning WIC members or upperclassmen.

We are hoping this will be an opportunity for members to get to know each other better as well as receive advice!

When signing up for a time slot, the availability of upperclassmen is on the left along with their grade level. Enter your name, email, and phone number on the right. You do not need to be available for the whole time slot shown in the excel sheet. You can coordinate with your buddy via text to establish a time within the slot.

Sign up in the excel sheet [here!](#)

Other MSU CSE Opportunities

We Have the Power - Let's Get Connected!

When: Tuesday, February 18th, 5:30-7 PM

Where: Kellogg Center, Riverside Room

Details: Join the Center to connect with Alumni, Company Reps, and other "key" individuals that want to meet you!

Dress casual, leave your resume at home, and food and beverages will be provided!

RSVP via Handshake [here!](#)

On-Campus Startup Career Fair

When: Tuesday, February 18th from 11 AM - 4 PM

Where: Minskoff Pavilion, Rm M025

Details: This is an on-campus event that will

have thirty-five high-growth Midwest startups searching for interns & full-time employees. It's focused on diversifying student talent and inquiring about the possibility of receiving assistance in outreach.

For more info and to register reference the flyer attached and this [link](#)!

MSU Programming Club

A new student group on campus is looking for students who want to join! Partnering with Girls Who Code Loops, this is a club centered around creating an inclusive and judgement-free environment for underrepresented groups in tech to learn and practice technical computer skills. Members will have the opportunity to practice a new coding language, work on a personal project, prep for technical interviews, and much more!

This club is open to all majors and skill levels. Our first meeting will be held in January of Spring 2020.

To sign up as a member or for a leadership role, please fill out this [form](#)!

Contact Zosha Korzecke (korzeck3@msu.edu) or Jennifer Browning (browni58@msu.edu) with any questions.

The Engineering Society of Detroit (ESD)

The MSU Student Chapter of the Engineering Society of Detroit is an organization that helps students network with professionals from dozens of Detroit-based companies. There is a \$1 annual membership fee, and opportunities include: site tours, speaker events, career fair

prep, outings, and networking events.

If you are interested, go to [this form](#) and sign up! Then follow directions for paying \$1 to begin your membership.

MongoDB Women in Computer Science Summit

When: Friday, April 17, 2020

Where: MongoDB's NYC Headquarters

Details: This will be their third annual occurrence of this event. It will be an inspiring day of technology, professional development, and networking for undergraduates studying computer science who identify as women!

Lodging, food, and roundtrip transportation will be provided.

For more information and to apply, go to the event webpage [here](#)! Applications close at 11:59 PM ET on March 13th.

Superposition IV Attendee Applications

Superposition IV, the oldest and largest all-female hackathon for high school and college students in the Bay Area.

Hackathons are competitive programming events where teams have limited time to solve a real-world problem using technology. Our mission is to help bridge the gender gap in technology by providing young women with a supportive environment in which they can develop their interests in computer science.

Applications will be open until February 16th, 2020. Apply [here](#)!

For more information, reference the flyer attached, visit the event's site at superposition.tech, or reach out to **Shamita Gurusu (Outreach Director)** via email to shamita@superposition.tech.

GHC Scholars Program

The GHC Scholars Program provides funds for women who are either undergraduate students, graduate students, or faculty to attend this year's Grace Hopper Celebration. Women who get selected as scholars gain access to career and academic workshops, networking opportunities, and memories that will last a lifetime.

Applications are open from January 15th to March 4th, 2020. Applicants will be notified of their status in early May.

For more information and to apply visit the anitab.org site at this [link](#)!

Women in Technology Symposium at Target

When: May 14th-16th, 2020

Where: Target Headquarters in Minneapolis, MN

Details: College sophomores with aspirations to be a software engineer are encouraged to apply for this opportunity! This three-day event is focused on inclusion, empowerment and professional development for aspiring software engineers. Attend to meet and learn from Target's passionate software engineers.

For more information reference the flyer attached or to apply use this [link](#)!
Application deadline is April 1, 2020.

SpartaHack

SpartaHack VI

When: March 27-29, 2020

Details: Applications are now open!

Apply [here!](#)

Stay up to date with SpartaHack and their events through their [Facebook page!](#)

ACM

Target Tech Talk: Technology Behind your Shopping Experience

When: February 19th, 2020 @ 6 PM

Where: Anthony Hall, Rm. 1257

Details: Target Software Engineers touch every part of your shopping experience. Join ACM for a behind-the-scenes peak at the technology behind your shopping experience and a Q&A session on what Target employees' day-to-day work days look like. Food will be provided.

Stay up to date with ACM and their events
