"Nothing in life is to be feared, it is only to be understood. Now is the time to understand more, so that we may fear less."

– Marie Curie

Good luck on midterms!

Looking for others taking the same classes as you?

We know it's more difficult this semester to meet people in your classes and find study groups. In order to help we've created a Google Form where you can mark the classes you are taking this semester and we will try to group you up!

Fill out the Google Form [here](#)! The form will be closed on October 16th.

Xtern Internship Opportunity

The Xtern program places Sophomore and Junior level students with a high-growth tech company in Indianapolis for a 10-week, full-time, paid internship over the summer.

Xtern finalist applicants will interview with 3-5 potential tech companies for their internship virtually at Xtern Finalist Day this November.

Whether you are a developer looking for real-world programming experience, or a marketing or public relations student interested in the fast-paced tech industry, Xtern

has an opportunity for you.

Application Deadline is Monday, October 12th

CyberSecurity Competition!

On Saturday, October 24th MetaCTF will host its 6th annual Capture-the-Flag competition! You can find more information about the virtual event and register [here](#) (for free).

Teams can have up to 4 participants, and there is no limit to the number of teams per school. Professors and industry practitioners are welcome to participate as well, though they'll compete in a separate tier.
