Master's In Business Data Science & Analytics At MSU

With the Master of Science in Business Data Science and Analytics (formerly MS-Business Analytics) from Michigan State University, you can become an integral part of this emerging transformation and leading new

industry. This 1 year program can be integrated with a major in CS to complete both degrees in 4 ½ years.

Click [here](#) for more information.

Contact [Gabby KB](#) for any questions.

BP Early Careers Program

BP STEP Leadership Program

- If you're looking to develop your networking and leadership skills, while learning to apply your technical capabilities to real world scenarios, the bp STEP program is for you. This three-week virtual series will touch on topics ranging from public speaking, leadership qualities, careers in the energy industry and much more.

Trading & Shipping - Sophomore Experience

- Discover more about the world of commodity trading at BP. Network with the trading team, and gain insightful training experience through trading simulations, case studies and presentations.
- Application deadline is April 16, 2021.

Apply Here bp.com/us-studentopps.

Target: Women in Technology Symposium

Target is looking for passionate software engineers to be a part of our Women in Technology Symposium. This three-day event is focused on inclusion, empowerment and professional development for aspiring software engineers. Attend to meet and learn from Target's passionate software engineers. Event highlights include:

- Job shadows with Target engineers
- Tech talks led by Target technology leaders
- Professional development activities and workshops

Application deadline April 17. Apply [here](#)!

Last Mile Education Fund

The Last Mile Education Fund offers a disruptive approach to increasing diversity in tech and engineering fields by addressing critical gaps in financial support for low-income underrepresented students within four semesters of graduation.
