"The best thing women in tech can do is to invest in other women."

-Christine Tsai

WIC Lean-In Circle

When: Tuesday, January 14th @ 6PM

Where: Engineering Building, Rm. 1220

Details: Please join us for our first Lean-In Circle of spring semester!

These are small group meetings to share and discuss experiences relating to various aspects of our lives (work, school, etc.) in a supportive, fun, and confidential environment!

Please RSVP [here](#)!

WIC Byte Buddies

We are putting together some WIC Office Hours called Byte Buddies this semester. This form linked below is for any returning WIC members or sophomores, juniors, and seniors who would be interested in meeting one on one with new members or underclassmen.

We are hoping this will be an opportunity for members to get to know each other better as well as pass on any advice gained over the years.

Please include some times that you are free and would be available to meet up, and some topics you feel comfortable discussing.

Fill out the Google Form here!

A spreadsheet will be sent out next week in the WICBits for underclassmen and new members to sign up in time slots for meetings with other WIC members.

Other MSU CSE Opportunities

Michigan Council of Women in Technology Foundation Scholarships

Applicants must be current Michigan residents, have a 3.0 GPA or higher, enrolled or will be enrolled as a full-time student at a Michigan university, and are United States citizens.

Application deadline is January 31, 2020.

For more information about the application and review process visit https://www.mcwt.org/ or open the attached document.

Part-Time Position at The Burgess Institute for Entrepreneurship & Innovation

When: Beginning sometime in February

Details: Prefer students who can commit at least 2 years to the position with an earliest graduating date is Spring 2022 and have experience.

The following positions will be open:

- Graphic Design
- UX/UI Design
- Web Developer
- Engineer & 3D Printing

- Events Coordinator

MSU Programming Club

A new student group on campus is looking for students who want to join! Partnering with Girls Who Code Loops, this is a club centered around creating an inclusive and judgement-free environment for underrepresented groups in tech to learn and practice technical computer skills. Members will have the opportunity to practice a new coding language, work on a personal project, prep for technical interviews, and much more!

This club is open to all majors and skill levels. Our first meeting will be held in January of Spring 2020.

To sign up as a member or for a leadership role, please fill out this [form](#)!

Contact Zosha Korzecke (korzeck3@msu.edu) or Jennifer Browning (browni58@msu.edu) with any questions.

The Engineering Society of Detroit (ESD)

The MSU Student Chapter of the Engineering Society of Detroit is an organization that helps students network with professionals from dozens of Detroit-based companies. There is a $1 annual membership fee, and opportunities include: site tours, speaker events, career fair prep, outings, and networking events.

If you are interested, go to [this form](#) and sign up! Then follow directions for paying $1 to begin your membership.
