"The ability to learn is the most important quality a leader can have."

-Sheryl Sandberg (COO, Facebook)

WIC Lean-In Circle

When: Tuesday, February 4th @ 6PM

Where: Engineering Building, Rm. 1220

Details: Please join us for our second Lean-In Circle of the spring semester!

These are small group meetings to share and discuss experiences relating to various aspects of our lives (work, school, etc.) in a supportive, fun, and confidential environment!

Please RSVP here!

WIC Volunteering at the Greater Lansing Food Bank

When: Friday, February 7th, 2-4 PM

Where: 2116 Mint Road, Lansing, MI 48906

Details: Come join WIC for an off campus volunteer event in the Lansing community!

We will be assisting with food sorting and box packing at the Greater Lansing Food Bank warehouse.

Please fill out this form by January 31st if

you want to volunteer! Our group is limited to 20 volunteers, so sign up ASAP.

Carpools and further instructions will be sent out by February 5th. **Please reach out to Sarah (johankn1@msu.edu) if you have any questions.**

View the Facebook event [here](#)!

WIC Sign-up for Introduce a Girl to Engineering Day

Come help WIC host an activity for Introduce a Girl to Engineering Day on Saturday, February 22nd! **Sign up [here](#)!**

If you have any questions about the activity, feel free to email Zosha (korzeck3@msu.edu).

WIC Byte Buddies

We have put together some WIC Office Hours called Byte Buddies this semester. This form linked below is for any new members and underclassmen who would be interested in meeting one on one with returning WIC members or upperclassmen.

We are hoping this will be an opportunity for members to get to know each other better as well as receive advice!

When signing up for a time slot, the availability of upperclassmen is on the left along with their grade level. Enter your name, email, and phone number on the right. You do not need to be available for the whole time slot shown in the excel sheet. You can coordinate with your buddy via text to establish a time within the slot.

Sign up in the excel sheet [here](#)!

Other MSU CSE Opportunities

GHC Scholars Program

The GHC Scholars Program provides funds for women who are either undergraduate students, graduate students, or faculty to attend this year's Grace Hopper Celebration. Women who get selected as scholars gain access to career and academic workshops, networking opportunities, and memories that will last a lifetime.

Applications are open from January 15th to March 4th, 2020. Applicants will be notified of their status in early May.

For more information and to apply visit the anitab.org site at this [link](#)!

On-Campus Startup Career Fair

When: Tuesday, February 18th, 11 AM - 4 PM

Where: Minskoff Pavilion, Rm M025

Details: This is an on-campus event that will have thirty-five high-growth Midwest startups searching for interns & full-time employees. It's focused on diversifying student talent and inquiring about the possibility of receiving assistance in outreach.

For more info and to register reference the flyer attached and this [link](#)!

Women in Technology Symposium at Target

When: May 14th-16th, 2020

Where: Target Headquarters in Minneapolis, MN

Details: College sophomores with aspirations to be a software engineer are encouraged to apply for this opportunity! This three-day event is focused on inclusion, empowerment and professional development for aspiring software engineers. Attend to meet and learn from Target's passionate software engineers.

For more information or to apply use this link! Application deadline is April 1, 2020.

Michigan Council of Women in Technology Foundation Scholarships

Applicants must be current Michigan residents, have a 3.0 GPA or higher, enrolled or will be enrolled as a full-time student at a Michigan university, and are United States citizens.

Application deadline is January 31, 2020.

For more information about the application and review process visit https://www.mcwt.org/ or open the attached document.

Part-Time Position at The Burgess Institute for Entrepreneurship & Innovation

When: Beginning sometime in February

Details: Prefer students who can commit at least 2 years to the position with an earliest graduating date is Spring 2022 and have experience.

The following positions will be open:

- Graphic Design
- UX/UI Design
- Web Developer
- Engineer & 3D Printing

- Events Coordinator

MSU Programming Club

A new student group on campus is looking for students who want to join! Partnering with Girls Who Code Loops, this is a club centered around creating an inclusive and judgement-free environment for underrepresented groups in tech to learn and practice technical computer skills. Members will have the opportunity to practice a new coding language, work on a personal project, prep for technical interviews, and much more!

This club is open to all majors and skill levels. Our first meeting will be held in January of Spring 2020.

To sign up as a member or for a leadership role, please fill out this [form](#)!

Contact Zosha Korzecke (korzeck3@msu.edu) or Jennifer Browning (browni58@msu.edu) with any questions.

The Engineering Society of Detroit (ESD)

The MSU Student Chapter of the Engineering Society of Detroit is an organization that helps students network with professionals from dozens of Detroit-based companies. There is a $1 annual membership fee, and opportunities include: site tours, speaker events, career fair prep, outings, and networking events.

If you are interested, go to [this form](#) and sign up! Then follow directions for paying $1 to begin your membership.
