Hacker Fellows Applications

Hacker Fellows is a growing community of software developers, engineers and startup enthusiasts who land jobs with early-stage tech companies in Michigan, develop their network and train on technologies used by startups.

Hacker Fellows connects the brightest early-stage tech talent to Michigan-based startups. The program recruits aspiring software engineers from around the country—undergraduates and graduates —to participate in a 1-year fellowship or summer internship program.

Application deadline is **November 15, 2019** for the May 2020 program.

Apply [here](#)!

Once accepted, you will be matched with startups for a full-time technical position, all expenses paid software and entrepreneurial training in Detroit, and access to a growing community of over 100 founders and technologists.

Withrow Award for Teaching Excellence

Each year, the College of Engineering sponsors the Withrow Award for Teaching Excellence. In the Department of Computer Science and Engineering, nominations are from students; those nominations are then reviewed by a selection committee composed of students and a faculty adviser.

The award recognizes CSE instructors for the 2019 calendar year. The nomination will remain open until **December 2, 2019**.

More information about the Withrow Award is available on the Department's [website](#).

You can nominate an instructor at [this link](#)!

The Engineering Society of Detroit (ESD)

The MSU Student Chapter of the Engineering Society of Detroit is an organization that helps students network with professionals from dozens of Detroit-based companies. There is a $1 annual membership fee, and opportunities include: site tours, speaker events, career fair prep, outings, and networking events.

If you are interested, go to [this form](#) and sign up! Then follow directions for paying $1 to begin your membership.
