WIC Bits

Look at the big career fairs this week!

WIC Rocket Mortgage Tech Talk Meeting

Tuesday September 21st, 6-7 PM in EB 1220

Beyond Buzzwords Part 1: All About Resumes

"They say not to judge a book by its cover and while that may be true, it's not always the case. Your resume is your cover and if it's going to make your introduction for you, let's make it a good one.

In this part of Beyond Buzzwords, attendees will hear from a former campus recruiter to learn how to compose their resume in a manner that's both logical and attractive to various audiences, confirm and bust common resume myths, and unique practices to follow that will make their resume turn heads. Attendees will also have the opportunity to receive "no-fluff" advice on their resume and hear real world feedback examples from hiring leaders across the industry."

vGHC Preparation Meeting

Thursday September 23st, Time TBD on Zoom

In preparation for the conference starting 9/27, we will go over what the conference has to offer and any requirements that we expect from our sponsored

attendees. This session won't be required but we highly encourage you to attend so you can get the best out of the experience. Save the date, and keep an eye out for Zoom info next week!

Career Fairs

Electrical + Computer Engineering Exchange | 9/21
https://msu.joinhandshake.com/career_fairs/24901?ref=events-search

Computer Science, Data Science + IT Exchange | 9/23
https://msu.joinhandshake.com/career_fairs/24878?ref=events-search

Tech Connect - Big 10 Women in Computing Exchange (Virtual)

Thu, Oct 7, 2:00pm - 6:00pm EDT
https://msu.joinhandshake.com/career_fairs/27481?ref=events-search

This event is hosted and coordinated in partnership between Women in Computing groups and Computer Science inclusion programs across eight Big 10 universities to connect students engaged in these organizations with employers nationally. While the Grace Hopper Conference is a large-scale event that serves as a platform to connect and engage with employers on career opportunities, this serves as a smaller-scale path to effectively connect with fellow Big 10 students to top employers, university recruiters, and program managers.
