MSU Engineering – Women in Computing

Exchange – September 25, 1:00 – 4:00 PM

This first-time event is hosted in collaboration between Women in Computing and The Center of the College of Engineering!

We will welcome 20+ employers who are looking to engage with first year through senior-level talent seeking co-op, internship, and full-time opportunities across engineering disciplines as well as those curious and looking to learn more about these companies and industries.

Click here for more info!

We will be hosting 2 preparation events for the WIC fair…

A Career Fair Prep event on September 21 at 6 PM on how to use the Handshake system for the fair and to provide a crash course on the companies attending

An Interview Prep event on September 24 at 6 PM hosted by Relativity on both behavioral and technical interviewing techniques

Engineering Virtual Career Fair Info

All fairs are welcome to everyone! They will be held on the Handshake Virtual Fair portal. 1:1 sessions will be available with representatives and/or RSVP to attend info sessions held by organizations.

It is recommended to take at least 5 minutes a day to look at employers attending fairs, and to check session availability.
